Neighbor harassment is a very real thing. Too often, we are told to "just deal with it," or that bad neighbors are a part of life. However, if you have neighbor disputes with the people who live next door, you do have options to get a resolution. Listen to your gut feelings if you think you are being watched or someone keeps making a "mistake."

Much better than My New Neighbor. This was written much better than your other series "My New Neighbor". This one is a prequel to another series and too bad that there were not all the same names. At least this story line starts with a good beginning with a little more detail about how this all started. I liked Beth and she seems to be more in ...
